Timetable information

How to read this timetable

1. Use the route map to find the two timing points you are located between.
2. Locate these points on the timetable.
3. Your bus is scheduled to arrive between the times shown for these points. For example, if your bus stop is situated between timing points **A** and **B** on the map, then the bus is scheduled to arrive between the times listed for **A** and **B**.

Please be advised that the times shown are approximate. We ask that passengers be at the bus stop no less than five minutes prior to the scheduled departure time.

Travel tips

1. Pre-plan your trip at translink.com.au or call 13 12 30.
2. Make sure you top up your go card or have the correct fare ready before boarding. If you have a concession card, have it ready to show the driver.
3. Check the approaching bus is the service you require by looking at the destination sign.
4. Raise your hand to signal to the driver that you want the bus to stop.
5. Once you've boarded just sit back and enjoy the ride. If you need to stand, securely hold onto a handle. Don't forget to ring the bell when you need to alight, have your go card ready to touch off and remain seated until the bus stops.
6. If crossing the road after alighting, wait for the bus to move away and check the road is clear.
