Timetable information

How to read this timetable

- Use the route map to find the two timing points your stop is located between.
- Find these points on the timetable. Your bus is scheduled to arrive between the times shown for these points. For example, if your bus stop is between timing points **A** and **B** on the map, then the bus is scheduled to arrive between the times listed for **A** and **B**.

Please note the times shown are approximate. We advise customers to be at their bus stop at least five minutes before the scheduled departure time.

Travel tips

- Pre-plan your trip at **MyTransLink** app, translink.com.au or call 13 12 30.
- Top up your go card or have the correct fare ready before boarding. If you have a concession card, have it ready to show the driver.
- Read the number on the approaching bus to check if it is the one you want.
- Raise your hand so the driver knows to stop.
- On the bus find your seat quickly. If you need to stand, hold onto a handle.
- Ring the bell to let the driver know to stop at the next stop for you to get off. Stay seated until the bus stops and touch off with your go card as you get off.
- Wait for the bus to move away and check the road is clear before crossing the road.
