**Key**

- zone boundary
- bus station
- train line & station
- tram line & station (G:link)
- bus route & stop
- connecting services
- shops
- hospital
- university/TAFE
- airport
- tourist attraction
- park 'n' ride

This map is indicative only. Not all Gold Coast services are shown, this map shows connectivity and high frequency services only.

Download the **MyTransLink** app, visit [translink.com.au](http://translink.com.au) or call **13 12 30** for individual timetables or information about other services or these route times outside 7am to 7pm.

Diagrammatic map - not to scale

**Transferring is easy** — simply use your go card to touch on and touch off at the beginning and end of each trip onboard your bus or at tram or train stations.

Your go card will automatically calculate one overall fare based on the number of zones you travel through and when you touch on and touch off.
