

go access Travel Trainer Card Declaration Form

Employees and volunteers from your organisation must sign this form before using a go access Travel Trainer card. This only needs to be completed once.

Conditions of Use

The go access Travel Trainer card is issued to organisations that facilitate training for people with a physical or intellectual disability or service animals. Trainers can use the cards to travel free of charge on any TransLink bus, train (excluding Airtrain), ferry and tram services in South East Queensland whilst undertaking training activities.

The cards may only be used by employees or volunteers of registered organisations while actively engaged in training activities. The person being trained must be in possession of a valid ticket or go card at the time of travel.

When travelling with the go access Travel Trainer card, the cardholder always needs to touch on and off at an electronic card reader.

ALWAYS REMEMBER to keep your personal go card and your go access Travel Trainer card separate to avoid the wrong card being charged and possibly incurring a fixed amount. In the event of an accidental touch on by an incorrect card, refunds are not permitted.

If requested by an authorised person, you must present your employee or volunteer ID card or ID badge (if you have one) along with the go access Travel Trainer card.

If you are identified as using the card incorrectly, you may be issued with a warning notice or penalty infringement notice as outlined in the *Transport Operations (Passenger Transport) Act*.

Once you have completed your travel, please return your card to your nominated Administrator.

Before using the go access Travel Trainer card, you will need to check the boxes and sign this declaration:

I have read and understand the Conditions of Use for the go access Travel Trainer card.

I understand that the card can only be used when travelling on the TransLink (SEQ) network while actively training.

I understand that I cannot use the card to and from the station to meet the client.

I understand that the card cannot be used to travel to or from my place of residence or for personal use.

I understand that if I am found to have misused this card, I may be issued with a warning notice or penalty infringement notice in accordance with the *Transport Operations (Passenger Transport) Act*.
