Broadbeach South station is a key interchange for tram and bus passengers with 20 bus routes from around the Gold Coast connecting you to the G:.

Check out the map on the back of this flyer to get to know the station’s key access points and stop arrangements.

**Accessing the platforms**
For your safety and the safety of others:

- use designated pedestrian footpaths and crossings
- pay close attention to signage around the station
- be alert – watch and listen for trams and buses.

**Transferring between bus and tram**
Transferring between bus and tram is easy. Just touch on and off with your go card at the beginning and end of each trip:

- onboard your bus
- at G:link stations when catching the tram.

You can transfer up to three times and have six hours to complete your journey.
