

Where can I go using the service?

The Mount Tamborine to Beenleigh service can help you get to and from work, grab some shopping, visit family and friends or access medical appointments.

The service will pick you up from anywhere on the mountain to then travel to Beenleigh station. As this service is a ride-share service, it's possible there may be other customers travelling on your service.

You can advise at the time of booking where you would like to get off along the route, as opposed to going all the way to Beenleigh station. If you need to go beyond Beenleigh as your final destination, simply connect to a train, bus or taxi service. Additional charges will apply for connecting services.

Needing a lift off the mountain? Let us drive you to Beenleigh station.

If you're travelling from **Mount Tamborine**, **North Tamborine** or **Eagle Heights** you can catch a dedicated flat-fare taxi service from Mount Tamborine to Beenleigh station.

At Beenleigh station you can transfer to a train, bus or taxi to other places within our wider network including Helensvale, the Gold Coast and Brisbane.

The service is available for residents and visitors alike!
